

BANGKOK SERENE EXPLORATIONS

THE LOCAL ART & CULTURE TOUR OF COMPASSION

ARTSTORY BY AUTISTIC THAI PAINTING CLASS

Start a heartwarming tour with a relaxing painting class that helps improve concentration skills while supporting the social enterprise Artstory by Autistic Thai.

"ARTSTORY" is a social enterprise for autistic individuals and other exceptional persons. Together, they create many products using "Art" as their inspiration. The products themselves are unique and extraordinary! Art Story supports by Thai Autism Vocational Centre under the Autistic Foundation which enhance people with special needs to gain their self development with dignity.

KLONG BANG LUANG

Visit the riverside community for a leisurely day. Enjoy a local lunch and explore art galleries, local shops and cafe. On Saturdays and Sundays, you can also watch a traditional Thai puppet show performed by a local youth group, except when they are hired for outside events.

"KLONG BANG LUANG" is the heritage community since Ayutthaya was capital city. It is located along Bang Luang canal or another name is Bangkok Yai canal. The identity of the community is presented that reflects the image of the traditional community from wooden row houses selling products on both sides of the road and wooden row houses selling various products to those who come to admire the atmosphere of the waterfront.

KHLONG SIGHTSEEING

Cruise along the Khlong on a private local boat and explore the vibrant community by the river. Get excited by the highlight of the journey: the magnificent Big Buddha image at Wat Pak Nam Phasi Charoen.

“WAK PAKNAM PHASI CHAROEN” is a unique royal temple that was established in 1610 during the Ayutthaya period. It is famous for its large seated Buddha that is the largest in Bangkok which is 69 meters tall and 40 meters wide at its lap. The image is called Phra Buddha Dhammakaya Thepmongkhon and is dedicated to the Thai royal family and the temple's former abbot Luang Pu Sodh. It is made entirely of pure bronze (the only one in the world). Inside the lotus bud on the head of the Buddha is a relic of the Buddha while the chest contains gold heart. The temple is also a centre of meditation and Buddhist education. The temple has branches in the US, Japan, New Zealand and India.
